\*\*\*We are trying something a little different for this meeting. If there is enough interest we will arrange for a bus (or buses) to take people downtown for the day on Sunday for sightseeing, shopping, museum visits, etc. You will be on your own to do what you want. The cost would be \$20 to \$40 per person depending on how much interest we have. Please complete the enclosed “interests” form and return it with your registration.

\*\*This is going to be great. Lang Ice is a fabulous plant to tour. The combination of modern equipment in a top notch facility running in conjunction with a 400 pound block ice facility is something you almost NEVER get to see or will soon see again. Ed Debevic’s is a “MO Valley kind of place”. I am certain we will have fun (and a good lunch) there. The Teehan’s Tinley Ice plant almost still retains that “new ice plant” smell that we all love. Harry and Tim are looking forward to impressing you. We will finish the day at Teehan’s Tavern. You can get the history of this great old Irish-style drinking establishment from Harry. He’s not the first Teehan to own it.

\*Please let me (thomhow49@aol.com), or Bob Moelter (bobmoelter@americanice.us) or Jeff Messerschmitt (icejeff@mchsi.com) know what you would prefer to do here.
